

Nathan Kuenzig

Permanent Address: 1009 Willow Lane, Mason, OH 45040

Phone: (513)-578-8094 Email: kuenzign@gmail.com

Objective:

To obtain a computer science summer internship for the year 2016 with an organization seeking a highly motivated, resourceful individual with prior experience and motivation to continue expanding knowledge in the field.

Education:

Grove City College – Grove City, PA

B.S. in Computer Science (in progress) – May 2018
4 year ABET accredited computer science program

Experience:

Intern Developer – Actuarial Compass LLC – Cincinnati, OH

Summer 2014 and 2015

- Worked on developing actuarial software using PostgreSQL databases to store functions and user data, C# for back-end implementation of actuarial calculations, and WinForms for GUI and front-end access.
- Created a small website designed to sell classes in actuarial science to colleges and businesses in the field by using Moodle for managing course material and Laravel for the main web page and layout.

Technical Skills:

- Programming Languages – C, C++, C#, Java, Python, SQL, Visual Basic 6.0
- Web-based Languages – PHP, HTML/CSS
- Utilities and Scripting – Git, LaTeX, AutoHotkey
- Frameworks – WinForms, Laravel, Moodle
- Software – Visual Studio, PyCharm, SourceTree, Eclipse, Paint.NET, TeXstudio, WampServer
- Platforms – Microsoft Windows, Linux (Debian)
